CIVIL ACTION NO. MJG-01-2600
KENNETH BLUM, SR., et al.
Defendants

MEMORANDUM AND ORDER

The Court has before it Plaintiff's Motion to Strike and for Sanctions [Document 286]. The Court finds that neither a response nor a hearing is necessary.

The instant case is on appeal so that it does not appear that the district court would have jurisdiction to take the action Plaintiff seeks. Moreover, the effects, if any, of the alleged "wrongs" by defense counsel appear to relate to the appellate proceedings. In any event, the Court finds the motion meritless. Accordingly, Plaintiff's Motion to Strike and for Sanctions [Document 286] is DENIED.

SO ORDERED this 7th day of September, 2007.

United States District Judge
